- Amazing and very useful tutorials!
- Amazing work, writes clearly, good pace. Willing to help students with extra-exercises. Overall very helpful
- Excellent Teaching Assistant, his use of the visualizer was appropriate; his explanations were easy to understand and the general experience was effective.
- Excellent! (2 Counts)
- Fantastic. Explanations were clear and precise. Excellent tutor
- Full score. That is why he is the best TA of the year.
- Great tutor! His explanations really helped me to understand the course better. He taught tips and tricks to grasp the concepts better and was very effective in delivering tutorials.
- Great work. Very helpful to student queries.
- He is full of responsibility on the tutoring. Teach us a lot. Thanks.
- He sometimes goes through the materials a little bit too fast that students are unable to catch up.
- He takes his time to explain everything and goes step by step
All his sessions were very helpful
- I would definitely say that Hormoz is the best Teaching Assistant among all TA's.
- In my opinion Hormoz Ramian was the most supportive tutor so far. Good job.
- More clear hand writing and more time needed the session was not long enough to help students understand the material
- Perfect.
- Teaching Assistant was very patient and detailed when explaining concepts to students. There were additional tutorial lessons for students who had extra queries which were very beneficial. Prompt at replying email queries.

Overall, a great teaching assistant who really cared about the well being of students.
- Very fast teaching styles and assume that students has good knowledge prior the sessions
- Very good, very helpful, and responded to my questions very quickly and effectively.
- Very helpful and responsive to questions. Made the content very clear to understand.
- Very helpfull and effective
- clear logic and teaching in tutorials
- very nice TA, sessions including extra sessions for matrix differentiation are very helpful. enthusiastic in help us. though other TA are nice too, but he is really the best
